Creating extra storage space is now very easy: Simply plug-in your hard disk in the Eminent EM7011 USB 3.0 Docking Station for 2.5" and 3.5" SATA hard disks and go!

Connectivity

The Eminent EM7011 Docking offers you a quick and easy way to connect a 2.5" or 3.5" SATA hard drive to the USB port of your computer. This allows you to easily exchange large amounts of data. It is also a perfect solution for computer maintenance centres for quickly connecting a new hard drive for test purposes.

Super Speed USB 3.0 support

Stop wasting time, use USB 3.0 to move or copy your files faster than before. The EM7011 Docking Station has Super Speed USB 3.0 connectivity which enables you to transfer data at a maximum rate up to 5 gigabits per second. The Docking is also provided with a USB 3.0 cable.

Backup functionality

Create a backup fast and easy, to secure all your personal files, photo's, music and movies. And if you use Windows, you can use the easy one touch backup function of the EM7011 with the provided software Pc Clone EX to make a full backup of your files really fast and secure.

Backwards compatible with USB 2.0

No USB 3.0 port on your computer? No problem, you can connect the Eminent EM7011 Docking Station also to your USB 2.0 ports, with a transfer speed up to 480 mbits per second.
